*“And the word of God increased; and the number of the disciples multiplied ... greatly”*

Acts 6:7

## BRET NAZWORTH

It is hard to contain our excitement as we watch **local churches** become empowered to go make disciples. Amazingly, the Word of God is expanding on many different fronts through the humble efforts of faithful men and women dedicated to propagating a clear gospel and sound biblical truth.

Joseph Chama in Zambia recently expressed joy because many new leaders and teachers are asking for permission to use the materials provided by DM2. As a result, he and his team are scrambling to get these new people trained. Not long ago, Michael Turay in Sierra Leone stated that now more than ever the trainees are positioned to get the word out due to their newfound understanding of how disciple-making works. Next month in Bolivia, Roberto Morales and a team of four other teachers plan to fly over 2,000 miles from Bolivia to northern Peru to teach a workshop for pastors. This massive undertaking is being accomplished entirely with their own finances and teachers. Please remember to pray for these disciple-makers.

In September, we plan to teach leaders in the Ukraine. Our desire is that these leaders will be encouraged to begin to earnestly make disciples. Pray for Mark Musser, Jim Myers and me as we lead this effort. Then, in October we have the opportunity to go to Asia. This is something we'd like you to pray about.

Pray for the safety of the team - consisting of Brad Rigby, Craig Northcott, and me. Pray for openness on the part of those we plan to teach. Pray for accuracy in the translation of the teaching materials.

In November two DM2 teams will be heading overseas. One team, directed by Pastor Clay Ward and Tim McClure of **Pleroma Bible Church** in Tennessee, will teach the Panorama of the New Testament in Sierra Leone. Another team - consisting of David Howard, Pastor Tod Kennedy from **Spokane Bible Church**, and me - plans to teach Romans 9-16 in Zambia.

Here in the USA, Pastor Mark Perkins of **Front Range Bible Church** and several others pastors and teachers from Colorado are planning a workshop on the Panorama of the Life of Christ during the month of October. **Grace Bible Church of Houston** is planning to host a workshop on Romans 1-8 for the same month. Some of the pastors who will help teach this workshop will be Clay Ward, Mark Musser and Tanny Sison. In November, DM2 plans to teach the Panorama of the Old Testament workshop for students in the Grace Institute of Biblical Studies at **Duluth Bible Church**. Pastor Robert Ambs of **Comal Bible Church** and Pastor John Clark of **Fellowship Bible Church Greenville, Texas** will help teach this. Please keep DM2 in prayer.

## FROM A LOCAL CHURCH IN OLYMPIA, WASHINGTON

The Romans 1-8 conference in Olympia was a great tool to help our local church, **Grace Redeemer Bible Church**, experience firsthand the need to make disciples. Everyone who participated in the event was very appreciative of the workshop, and some are already taking important steps to implement the tools they were given to make more disciples. There were also members from other local churches who attended the workshop. Our hope is that this will lead to more fruit in their respective churches. DM2 workshops are a very resourceful way to help churches take more seriously the command to make disciples of all the nations. (Matthew 28:19-20) Pastor Mark Musser

## FROM A LOCAL CHURCH IN CHARLOTTE, NORTH CAROLINA

We at **Grace Bible Church** here in Charlotte, NC really appreciated the time and effort put forth by the presenters in the recent Romans 1-8 workshop. The material was thorough and clear and should be extremely helpful for establishing any believer or church in several foundational truths found in this most important epistle of doctrine in the New Testament. These truths are critical to a genuine and victorious walk with Christ.

I can see the great value of this curriculum in equipping those who are "faithful men who will be able to teach others." 2 Timothy 2:2 This foundational teaching is especially needed in the growing church overseas. Tom Finley

## FROM A LOCAL CHURCH IN LOS NEGROS, BOLIVIA

Yesterday we finished Romans 1-8 with the youth of the **Peniel Church**. It was well attended. We started on Monday and have been going from 8:00 in the morning until 9:30 at night all week long. The young people spend the night and eat here at the church. The ladies of the church have taken turns helping in the kitchen. The teachers who supported me with the teaching were Pastor Ignacio and Pastor Juan. The church also provided Carlos as a teacher.

Thanks for all your prayers and encouragement. We enjoyed a precious time in the Word of the Lord. The young people were very impressed by the teaching of the God's Word. It was amazing to listen to testimonies of what they received from the workshop. The young people asked why they had not been taught this before, which is the same question we always get when there is a clarification of the gospel.

It was an excellent time and we thank God for allowing it. Our prayer is that the Lord will use this group to be of great benefit in multiplying the ministry of making disciple-makers. We ask your prayers for these young people. We would like to train some of the older ones to go with us to future events where they can learn to teach others also, which is the vision of DM2. Pastor Roberto Morales Dabalos
